Mr. Milton A. Oman
Attorney at Law
Continental Bank Building
Salt Lake City, Utah

Dear Mr. Oman:

I have been informed by water users on the Price River that for several weeks, last past, and as late as yesterday you have been unlawfully diverting water from tributaries of the Price River for irrigation purposes on land heretofore conveyed to the Utah State Department of Fish and Game, but which you are operating during the summer of this year under an agreement.

This matter is being called to the attention of the State Engineer and unless you notify me within five days from date of this letter that you have stopped using the water, appropriate action will be taken.

Respectfully,

E. J. SKEEN
